

2500SZ

DIRECT DRIVE SINGLE NEEDLE HIGH SPEED
LOCKSTITCH ZIG-ZAG, DROP FEED

For higher speed zig-zag sewing, we recommend the 2500SZ. Because of the higher speed, it is best for sewing applications where productivity is important. It is suitable for sewing from light to medium weight fabric.

For sewing appliqué, lighter canvas, and synthetics, the 2500SZ with direct drive technology offers the whole package. A smoother, more precise sewing experience with an outstanding build quality and reliability.
