

4510TW

DOUBLE NEEDLE LOCKSTITCH, WALKING FOOT

For heavier work, where two needles are required; we recommend the 4510TW walking foot lockstitch machine. Top and bottom feed, and a higher foot lift allows it to sew from medium to heavy weight fabric.

For sewing leather, upholstery, canvas, and synthetics, the 4510TW offers the whole package. Low noise and vibration design, outstanding build quality and reliability and the industries #1 DC servomotor.
